YOUNG MARRIED MEN

There's small hope of developing in a business with restricted
passibilities. Don't wante time
with shallow opportunities.

Inventigate the dimensions of an
occupation and if its limits are
evident, don't waste your fouth
and vitality at a handrasp.

Some work, in contrast with
other situations, pars a birger
initial wage, but helds out slight
prospects of promotion. Salary
advances, after a while, are only
to be secured with the raise in
living costs. Increases of that
sort aren't actual—the net contimes to be the same.

It's a poorly chosen road that
does not widen as it lengthens.
We have openings for two young
men in our Washington Service
